

2011 CYM Coed Volleyball Rules

The CYM Coed Volleyball Leagues will follow the official 2010 game rules as adopted by the Wisconsin Interscholastic Athletic Association (W.I.A.A.) with the exceptions and/or additions found below. The rules apply to youth, coaches and fans. In the event that fans are involved in inappropriate and unsportsmanlike behavior, the team may be penalized and the party banned from future games. Athletic Directors and coaches are responsible for seeing that all rules are followed.

Games

1. Starting Time: Teams should be ready to play on time. A 5-minute grace period will be allowed. After the first grace period expires and the team is unable to play they will forfeit the first game. A second 5-minute grace period will be given, but if the team is unable to play they will forfeit the second game. A third 5-minute grace period will be given, but if the team is still unable to play they will forfeit the match..
2. Warm up: Pre game if time permits
3. Time-Outs: Each team is allowed 2 time-outs per game.
4. Forfeits: Teams will be fined a \$50 per match forfeit (if they don't show up with at least 4 players to play) and that must be paid before the next match. If a team forfeits two matches on the same day that team will owe the league \$100. After a third forfeit, the team will be removed from the league and forfeit all remaining games and will not participate in tournament play. Teams will not be allowed to register the next season until all fines have been paid. All monies paid the league will be non-refundable.
5. Let Serves: will be allowed according to WIAA rules.
6. Uniforms: T-shirts are required for each team and they must all be the same color(s) and style. There **must** be a 4" number on the back of the T-shirt and it is suggested that a 2" number appear on the front shoulder. If players show up without their uniform they can still play but their team will forfeit one point per game for every player that doesn't have a uniform. There will be no alterations to the shirt by individual players. If an alteration is made, such as sleeves cut off or graffiti added, the same alterations must be made to all players' shirts. A uniform check should be made by the official prior to the start of the match. Any player arriving late must be checked for uniformity before the player is allowed onto the court. Any team with players not considered to be in uniform will cost the team one point per player per game. For example if three players show up without a uniform and play the score will be 3-0 before each game begins.
7. Match: Will consist of three games. All games will count in the standings.
8. Use of the Libero is not allowed in CYM Coed Volleyball.

9. Special Co-Ed Rules: If there is more than one hit on a side, a female must contact the ball before the ball crosses the plane of the net to the other side.
10. There **must be** at least two females and one male **per team** on the court at all times, **and a minimum of four players per team** or the game will result in a forfeit. Since we are a coed league it is **required** that any team that has enough boys and girls present will play at least as many or more girls **than** boys. If a team **arrives** with two girls and four or more boys, it is acceptable to play with two girls and two boys; otherwise there must be at least three girls on the court. Teams are no longer allowed to play with more boys than girls.

NEW for 2011 – Teams are allowed to play two matches (6 games) with all girls if none of their boys are available to play. If a team has boys present then at least one boy must be on the floor at all times.

 2. Total games won if the teams played more than one match against each other.
 3. If both teams are still tied then both teams will receive a first place award.

Tournament Rules

17. When determining the seeding for the end of season tournament the following criteria will be used to break ties between multiple teams in different divisions with the same record.

- A) Head to head matches if there were any and if all the teams tied played one another.
- B) The place the teams finished in their division.
- C) The tournament director will place the tied teams in a pool for the tournament.

Note: Teams associated with gyms hosting games on Saturday may be moved into a different pool to make sure their games are in their home gym.

18. All tournaments will be played after the regular league season. The format for the various tournaments for all leagues may be a round robin setup or regular double elimination format. There may be multiple tournaments in leagues that have at least 16 teams and that will be determined by the steering committee. Different leagues will have their season ending tournaments scheduled on the same weekend.

19. Tournament Pool Play Tiebreakers

- A) Head to head.
- B) Total number of tournament games won within their pool.
- C) Most points scored in games between teams tied.
- D) Most points scored in all tournament games.

20. The winner in all matches on Sunday will be the team that wins two of the three games. If one team wins the first two games the third game will not be played. This only applies to tournament matches played on Sunday.

23. Teams with 6 players present must play all 6 players and cannot have players sit on the bench because they would prefer to play with 4 or 5 players.
24. Teams should participate in the Conference that best meets their needs. We now have a Gold, Silver, and Bronze Conference for teams to join. All teams will play the same number of matches regardless of the conference they choose to participate. Please see the following criteria:

Parish players that belong to a parish where there is no CYM Volleyball team are allowed to play on any other parish team without being considered a non-parishioner however the coach still needs a **letter to confirm** their registration in their parish **Religious Ed** program (**seniors** excluded). The team roster form can be used for players from another parish.
