* All sets will be best of 3. The first two matches will be to 21 (hard cap). If needed, match 3 will be to 15 (hard cap).

* This is a double elimination tournament. Your team must lose two sets to be eliminated. Please print out and follow the schedule/bracket.

* A bracket will be printed and displayed at the tournament site. The bracket will be updated after each match by a member of the CYM committee.

* Once your bracket begins, please do not leave the building. Please have your team in the building ready to play 20 minutes before your first game is scheduled to begin.

* If a set only goes 2 matches, the next game will begin early. Once the ref calls for captains, your team needs to be ready to go. If your team is not ready, you will begin losing points.

We want to keep things moving and on track. We need your cooperation!

***If set 8 (silver) is the first loss for the winner of set 7, there will be a one game playoff. This playoff will be one match to 15, no cap. This is the ONLY match with no cap.
